# WARRANT FOR ANNUAL TOWN MEETING

## The State of New Hampshire

*To the inhabitants of the Town of Wilton in the County of Hillsborough and the State of New Hampshire qualified to vote in town affairs:*

You are hereby notified to appear at the Town Hall in said Wilton on Tuesday, the 10th day of March A.D. 1970, at 10:00 A.M. to choose all necessary town officers (polls will not close before 6:00 P.M.) and at 8:00 P.M. on the same day at the School Auditorium to act upon the following subjects:

1. To hear the reports of Town Officers, Agents, and Committees and pass any vote relating thereto.
2. To see what action the Town will take in regard to real estate taken over by the Town for non-payment of taxes.
3. To see if the Town will vote to accept the budget as prepared by the Budget Committee, or make any alterations relating thereto.
4. To see if the Town will authorize the Collector to appoint a deputy or deputies, under the provisions of Chapter 41, Section 38, of the Revised Statutes Annotated of New Hampshire, or take any action relating thereto.
5. To see if the Town will vote to authorize the Tax Collector to charge an additional amount of twenty cents on each Poll Tax not paid by September first, for use of the Town as provided by statute.

6. To see if the Town will vote to maintain an answering service for the police and fire departments, which answering service shall have its principal operations headquarters or place of business within the town of Wilton itself, and to raise and appropriate the sum of \$3000 for the same, or take any action relating thereto.
7. To see what sums of money the Town will raise to defray expenses for the ensuing year.
8. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 20th day of February, 1970.

FRANCIS N. GROS LOUIS  
CHARLES O. McGETTIGAN, JR.  
EDDIE J. LAMMINEN, JR.  
Selectmen of Wilton, N.H.

## **SELECTMEN'S REPORT TO THE CITIZENS FOR 1969:**

In preparing our report to the citizens of Wilton for 1969, our Board reviewed our minutes of special meetings, regular meetings, telephone calls, and personal contacts, and the many other aspects that make up the life of a Selectman in any small community, and our findings enabled us to present a summary of our activities that reflects a continuing look ahead for Wilton and also enabled us to present a brief look at future projects that will involve the expenditure of large sums of money by the community.

We would be remiss in our duties if we did not thank our many fine departments for their cooperation and understanding throughout the year. We are indeed fortunate in Wilton to have personnel whose interest and devotion lies in the community they live in, making the task of conducting town business that much easier for all. Even though faced many times with major decisions that either had a short or long range effect on the community, the compatibility of our own Board is best described by the fact that in each of the decisions, following a thorough review, a series of discussions, and serious consideration by each member of the Board, the decision was made without a dissenting vote. Our Board represented the community at every function asked of them, tried to answer every call of our citizens who asked for help, and took all the necessary steps possible under law or moral obligation to lend assistance where needed.

### **RECORDS AND THE RIGHT TO KNOW LAW:**

In order to abide by the Right To Know Law enabling citizens to request a look at minutes of meetings or other town business, our Board this year instituted a new bookkeeping policy that included the recording of minutes of all meetings, whether special or routine, and making them available for public viewing within 48 hours. All correspondence handled by the Board was recorded and each Monday night each member of the Board turned in a report listing

all personal contacts and telephone calls received during the week, whereupon each sheet was discussed and the necessary action taken. In addition, the Board released a monthly activity report to the local papers informing citizens of the activities of the Board.

The Board extends an invitation to all citizens to visit the Selectmen's Office and discuss any questions or problems they may have. For those who are not familiar with the Selectmen's hours we would note that the Board meets every Monday night at 7:00 P.M. in the Selectmen's Room of the Wilton Town Hall and is open to all citizens at that time.

A report for the year 1969 through February 1, 1970 is as follows:

a: Visitors to our office on Monday nights	271	
b: Special meetings attended by the Board	61	
c: Personal contracts made at home or at work to members	491	
d: Telephone calls made at home or at work to members	1387	
	Telephone Calls	Personal Contacts

3. Eddie J. Lamminen Jr.	98	74

## CHAPTER 33-8A. N. H.

### REVISED STATUTES ANNOTATED:

Perhaps the most important portion of this report is relative to the new law which now requires that any item requiring the raising of \$20,000 or more must have a public hearing 15 days prior to voting by ballot at the town meeting, and in addition, must have notice of said hearing published 15 days prior to the hearing. The articles are then made a part of the ballot on Town meeting day and are voted upon as the voters come to vote for town officers eliminating further discussion at the town meeting, which is held following the balloting. The public hearing thus be-

comes the only time voters can familiarize themselves with any article.

In Wilton this year we have two articles that were discussed at a public hearing on February 20, 1970. Each of the articles carries a significant amount of money in it's question thereby raising the possibility that our citizens may wish to turn a deaf ear expressing the fear that taxes will be raised as a result of their approval, however, each is a most important article that our citizens must face with full information prior to voting.

The first article asks the sum of \$60,000 as our 1/3 share of replacing the bridge from the center of the community to the so called, "Island" on Route 31. Our 1/3 share has increased by \$5000 each of the past two years. Your Board has attempted to give the bridge to the state via a bill in the legislature, and has attempted other methods to have the bridge repaired, however all methods have failed and it is the recommendation of our Board that we approve this article at this time.

The second article calls for the raising of \$45,000 to take action on the recommendations of our Wilton Dump Study Committee. The town now has until 1975 to continue open burning, however, the present condition of our town dump is such that any of the state or federal agencies could close it at any time in the very near future. Our Board therefore recommends that we also approve this article and follow the recommendations of our well written Dump Study Report.

#### SEWER STUDY:

Another project that is facing our community in the very near future with ever increasing state and federal pressure being applied to all towns with streams in their boundaries, is a sewage treatment facility and a change in our present method of waste disposal.

The firm of Fenton & Keyes is presently completing the preliminary sewage study for the town of Wilton with funds approved at last year's town meeting. Further action will come upon the completion of this report.

## NASHUA REGIONAL PLANNING COMMISSION:

Wilton, by the vote of the last town meeting, became a member of the Nashua Regional Planning Commission, and by so doing has made itself much more eligible for Federal funds in many areas. Federal funds are available at a 2 to 1 ratio when a community is involved in a Regional Planning Group. Even though our Board may feel this is the carrot on the stick routine, it nevertheless must be done by communities before many of the programs now being legislated can be accomplished. At the present time plans are underway to have an area planning study made which will enable our community to receive much more detail about the future years at a much lower cost than if we were to have a study made by ourselves.

## WILTON DUMP PROBLEM:

With the excellent Dump Study Report submitted by Stanley T. Young and Wayne Lamminen, it leaves little for us to add as your Board of Selectmen, with the exception that the community must realize how important this project is and that some action must be taken.

This was a very difficult assignment and many of our citizens refused to serve on the study committee, however our Board wishes to congratulate Mr. Young and Mr. Lamminen on their efforts throughout the year. We would also recommend that our citizens read their report carefully and familiarize themselves with the problem prior to voting on town meeting day.

## CONCLUSION:

The past year has been filled with many important decisions, all of which have been properly reported in the news media. Our Board has received the usual number of complaints and grievances and has always encouraged our citizens to meet with our Board to obtain answers to their problems.

We would like to most sincerely thank all our good citizens who have helped in any way to make our community

better. To those who have willingly accepted the challenge of committee assignment, to those who have borne the challenge of presenting an unpopular or debatable item before our citizens, we say thank you.

We would like to publicly thank our Secretary, Mrs. Emily Giffin, for her many favors during the year, Mrs. Ronald Tuttle for her assistance in supplying us with necessary mimeographed forms, and Mr. Frank Theriault, who has answered our every request with a smile.

Our community is continuing it's forward progress through the cooperative efforts of it's citizens. It has been a pleasure for us to serve you in the past year and we look forward with eager anticipation to serving you in the coming year. If we were to adopt a goal for our Board, or any Board, involved with the many state and federal legislative acts that are tying up small communities into financial chaos, it would be:

Give us the serenity to realize what cannot be changed,  
The courage to change what must be changed,  
and

The wisdom to be able to tell the difference.

# **WILTON HIGHWAY REPORT 1969**

## **Winter**

The winter of 1969 will be remembered for its severity. The mean temperature was one degree below normal and the snow 3 feet above normal. January had only 5" of snow and an ice storm on the 30th and 31st. February had 63" of snow with high winds and much drifting. This is the largest amount of snow for 1 month that I can find records of. March had 11" of snow. October gave us 2" snow. December had a total of 37" of snow. Christmas week being a busy one with 2" snow on Monday, an ice storm on Tuesday with many trees down, 2" of snow on Wednesday, and Thursday and Friday night we had 14" of snow which turned to rain late Friday and early Saturday which caused the bad ice conditions.

## **Summer Maintenance**

Due to a muddy spring a large amount of gravel was used on the dirt roads. Namely Curtis Farm Road, Scott Road, Brown Road, Duggin Road, Heald Road, and Goldsmith Road. Other work consisted of grading, opening drains, and cutting brush. The new mower working very well helped a great deal.

## **Resurfacing**

Due to all asphalt companies being on strike during prime resurfacing months, this program started late and ended due to cold weather. Roads resurfaced were Goldsmith Road .3, Mason Road 1.2, Stevens Road .1, Intervale Road .2, Draper Road .15, High Mowing Road .4, Highland Street 1.0, Davisville Road .2, South Lyndeboro Road .15, Pead Hill Road .6, Perham Road .5, all for a total of 4.8 miles.

## **Bridge Maintenance**

This work was mainly painting and repairing railings.

The largest project being painting the red bridge on Russell Hill Road.

### **Sewer**

This has been a normal year in the number of calls for clogged lines. I would like to once again remind users of town sewers that this is not the place to dispose of disposable diapers. These being plastic do not disintegrate and will clog the lines.

### **Dump**

Dump maintenance is costing more each year due in large to people not placing their trash back far enough. The next person has to back over it or dump in front. Winter is bad in this respect as the trash will burn melting the ice under it. The broken glass becomes imbedded in the water which freezes and thus making it impossible to scrape it back to the edge. This means the loader we use to clean the dump has to travel over the glass also.

I would like to thank all town officials who have aided me this past year and my employees for their cooperation.

Respectfully submitted,  
Marvin W. Cuddihy, Road Agent

## WILTON POLICE DEPARTMENT

In submitting my report for the past year I would like to first thank all my Special Officers for their cooperation and dedicated police work in 1969. I would also like to extend a special thanks to Sgt. George Little whose devotion to duty and interest in the town of Wilton made the past year somewhat easier even though we had a general increase in the crime and disturbance rate over 1968.

During the year we were hit with a series of breaks that resulted in complaints to the Board of Selectmen that police coverage had to be provided in the early morning hours. A meeting was held with the Board of Selectmen and Budget Committee and it was decided to have a Special Officer work the early evening shift and Sgt. Little complete the night to give Wilton full police coverage. This has resulted in a slowdown in increased night-time activity we were receiving.

I would like to congratulate Special Officers James and Donald McGettigan for attending and completing a Special Police Officer's School conducted in Peterboro for a number of weeks. Their interest in attending every week will result in increased benefits for the town in the coming years.

I would like to thank the Board of Selectmen for their cooperation with my department throughout the year and any other department heads the Wilton Police Department may have been in contact with.

Respectfully submitted,  
*Guy W. Franklin, Chief*

Total amount of hose used at fires in 1969-----11,400 feet  
18 permits to install oil burners were applied for.  
13 permits to operate oil burners were approved.

In 1969 we had five building fires, two of which were a total loss. Although there was some damage done to the others, the loss was kept at a minimum.

This year we purchased a portable pump with three lengths of suction hose. We also purchased a 2½" fog nozzle and a 2½" wye and siamese wye.

We were fortunate this year in having Draper Fuel Co.,

Inc. give the department a 1956 Mack truck. Through the efforts of the men on the department and Franklin Edwards, we have made this vehicle into a valuable piece of fire fighting equipment. We have mounted the portable pump that we purchased on this truck so that it can also be removed if it is needed elsewhere. With this we are able to pump from the 1500 gallon tank on the truck or pump from a water hole or hydrant. With this truck we have doubled our water carrying capacity to a total of 3100 gallons of water.

I would like to take this opportunity to thank the Draper Fuel Co., Inc. for giving us this truck.

I wish to thank the members of the Wilton Fire Department, my two Deputies, Joseph Stanton and Robert Pollock, the Wilton Board of Selectmen for their cooperation throughout the year, and all others who assisted the department in any way.

Respectfully submitted,  
Gilbert E. Testa, Chief

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

### *Fire Permit*

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning.

Such burning is restricted by regulation to be *prior to 9:00 a.m. and after 5:00 p.m.*

### *Exceptions*

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### *Penalties*

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

## REPORT OF THE WATER COMMISSIONERS

There was the usual maintenance of replacing pipes due to their being filled with rust.

Samples of water have been sent to the State Board of Health, once a month, and all have been satisfactory.

The department extended the new six-inch line on Robbins Street in the Abbot Hill Acres section in the spring. The 1100-foot line cost \$5,605.28 to install. Mr. Samuel Proctor, the developer, paid two-thirds of the cost.

The department is in the process of making an application to H.U.D. in the hopes of obtaining federal assistance to make needed improvements to our water system.

If all recommendations were carried out now, the cost would be in excess of \$300,000. Our test well program at the Mansur field cost \$5,257.00.

Invested funds total \$55,000.00 at the present time and are at 5 per cent.

## AUDITORS' REPORT

We have completed our audit of the accounts of town officers for the year ending December 31, 1969.

The records of the Tax Collector, Treasurer, Town Clerk, Trustees of the Trust Funds, Selectmen, Water Department, Wilton Public Library and Clerk of the Municipal Court were checked and found to be in order with the exception of six missing auto permit slips, value unknown. Town officers' bonds were checked and found to be in order. Uncollected accounts of the Tax Collector were verified by sending notices to each debtor.

We wish to thank the town officers for their cooperation received during the audit, and our many thanks to Mrs. Emily Giffin for the help she so cheerfully gave us.

## WILTON YOUTH CENTER COMMITTEE REPORT

1969 was another challenging year for the Youth Center Committee, its physical facilities and its programs. It was a year in which the community helped considerably, yet a year when the committee realized how much was left to be accomplished.

Nowhere was community support more evident than in the skating program. Instruction by Miss Karen Lane was provided by the committee. Then the community went to work. Land was generously made available by Abbott Industries, our firemen built rinks and kept them flooded, and public spirit kept the ice clean. As the current season gets under way, this gratifying response continues. It is hoped that a modified award system will heighten skater interest.

The summer program at Goss Park continued to occupy the bulk of the committee's attention. Mr. Peter Morris returned as director to lead another successful season, along with Miss Pam Gregoire as the assistant director, and Miss Virginia Holt and Mr. Ronnie Tuttle as instructors. The morning arts and crafts and general recreational activities were supervised by the staff and participated in by some 40 young people on weekdays. The park's nature trail was refurbished and nature walks were promoted. Another family day was held, and a realistic rescue drill was conducted. The swim team was somewhat less active, but several of our young people participated in the state meet at Claremont, and came home with a number of significant placement ribbons. 270 youngsters were registered for swimming instruction, and over 50 per cent advanced to the next level of achievement.

The committee sponsored a tennis facility at the hard-top play area at the high school. It received some enthusiastic acceptance by both young people and adults. Though there were some problems with the arrangement, the committee hopes to put continuing support behind this activity.

Overall, capital improvements were held back, since we had been rather extended from prior years, and were somewhat

unsure of realizing our elevated fund raising goals. The committee sponsored bake and rummage sales were well supported and proved rewarding.

In our 1969 fund drive letter, we quoted a small town doctor, and author of a best selling book, "How to Live 365 Days a Year". He wrote, "A youth center is a necessary public utility, which only the municipality can provide." Such essential community needs cannot stand still. They must grow in service. In the past, the Youth Center has grown through the efforts of Wilton and Lyndeboro people, who gave of their ingenuity, muscle and money. To the founders, the past chairmen and their respective committees, the builders, the donors of time, equipment and financial resources, we owe a debt of gratitude. And we owe our young people continually broadened recreational opportunity. We invite the widest possible public support in that direction. That support will make the Youth Center prosper as a surprising phenomenon of small community life.

Respectfully submitted,

William P. Blagbrough,  
Chairman

## WILTON OLD HOME DAYS REPORT

One of the most successful Old Home Days Celebrations to date was held last August 22-23-24th with excellent weather throughout the three days. The cooperation of everyone in all activities as chairmen, committee members, and participation was the best ever.

With Francis Gros Louis, chairman of the Board of Selectmen as Master of Ceremonies the celebration opened at 6:00 P.M. Friday evening with the Children's Parade at the Park, with 96 entries under the direction of Miss Florence Rideout, Mrs. Frances Pellerin and Mrs. Mildred Pike. Judges were Mrs. John Watson of Peterborough, Mrs. John Brennan of Greenfield, and Miss C. Elizabeth Scott of New Jersey. Winners are too numerous to mention. The Parade was led by Henry Destroismaisons of Milford, (the well-known Keystone Cop), and a calliope from N. H. Shriners.

Members of the Lyndeborough Lafayette Artillery then marched from Whiting Park to the Dairy Hillside to fire off the old cannon to officially open the three days' celebration.

At 8:00 P.M. there was a Teen Age Dance in the School Auditorium in charge of Mr. and Mrs. Leo Pellerin with Music by Small Orchestra of Nashua.

More than 20 Teen Agers presented a Musical in the Town Hall Friday and Saturday evenings under the direction of Miss Brenda Von Iderstine and Dennis Markaverich which the Young People had been rehearsing all summer, as their part in the Town Celebration.

Saturday Morning the program opened at 9 A.M. with a Sports program at the Park with over 100 Youngsters taking part in various children's races under the direction of Dennis Claire and Donald Byrd. At 10 A.M. 34 Runners from all the New England States stepped off at 10 A.M. with one woman entrant under the direction of Police Chief Guy Franklin and Donald McGettigan and the officials of the A.A.U. and many other townspeople. The winner was Ed Walkivitz who

came in with a time of 53 minutes and 55 seconds; Last Old Home Day Winner Graham Parnell came in second with a time of 56:04; 3rd place went to Russell Holt with 56:46 and 4th place to John Jarek with 58:44. Henry Bergeron Jr. Wilton local Winner came in with a time of 77.08 and the only woman in the race, Lorraine Hall, came in 32nd place with a time of 90:33 and the final Runner coming in 95:15 with no drop outs of the race. There were less runners this year than was expected due to two other races that weekend which conflicted with our dates. Raimo Ahti of New Ipswich received the Governor's Trophy for being the first state's runner in. During the Saturday morning sports programs County Sheriff Larry Shea and two of his deputies passed out Junior Deputy Badges to all Youngsters of the park in observance of Hillsborough County's 200th anniversary being celebrated in 1969.

One of the largest parades to date, with the exception of the 200th Anniversary Parade in 1939, stepped off from the Abbott Worsted Mill Yard at 1 P.M. sharp under the direction of Samuel Proctor and Gilbert Testa. Led by Police Chief Guy Franklin there were 40 floats; Bent Burke Post #10 Colors, Firing Squad, Members and Auxiliary Members; N. H. Mother of the Year, Mrs. Charles McGettigan, Sr. of Wilton in a decorated car driven by her son Robert McGettigan; Ricciardi-Hartshorn Post A.L. Colors and Firing Squad and Auxiliary of Milford; Lafayette Artillery Members and their Cannon of Lyndeborough; Holy Name Society of the Sacred Heart Church; Knights of Columbus of Milford; Brownies, Junior and Senior Girl Scout Troops; Cub Scouts and Scouts of Troop #10 of Wilton; and a long variety of amusing and interesting Walking units., the parade ending with nine beautiful Horses ridden by the 4-H Trail Blazers of Amherst. There were four musical units, the Legion Band of Keene; The Legion Band of Nashua; The Medford Minute Men Drum and Bugle Corp. and Musket Group of Medford Mass. sponsored by the Barry Insurance

Agency; who presented a concert and exhibition at the Park following the Parade. There was also a Band Concert by the Keene Legion Band at the park following the parade. Judges for the parade were Governor Walter Peterson of Peterborough; Commissioner of Education Newell J. Paire of Concord and Creeley Buchanan of Amherst, former Governor's Councilor. Winners are too numerous to mention.

Saturday night staged one of the most successful Costume Dances ever Held in the School Auditorium under the direction of Mr. and Mrs. Leo Bird, Mr. and Mrs. James Tuttle, Mr. and Mrs. Walter Hardy and Mr. and Mrs. Elmer Santerre with a nine piece Orchestra of Nashua. The Grand March was led by the three members of the Board of Selectmen and their wives. Almost everyone in attendance was in Old Fashioned Dress. A charge of \$3.00 a Couple was placed on this dance this year by the committee to help save the celebration from ending in the red, but even so it only broke even with the \$500 voted by the Town towards the celebration.

Sunday morning there were services in all the Churches. A Horseshoe Pitching Tournament opened at 12 noon and continued through the afternoon under the chairmanship of George W. Quinn. There were eight entries after elimination matches held during the summer at the Pinnacle Fish and Game Club in Lyndeborough. George Quinn came out the victor and was awarded the Trophy.

There was a Band Concert during the afternoon by the Hollis Band and the Celebration closed with a hymn Sing in the Auditorium arranged by Mr. and Mrs. Robert Hall. with Rev. Tom Hawxwell, interim pastor of the Wilton Center Baptist Church leading the singing.

There were several special features during the three day celebration including a Hurdy Gurdy Man with his pet Monkey sponsored by the Barry Insurance Agency who was at the Park Friday evening and Saturday morning to entertain the youngsters. The Calliope of the Bektash Temple of

Concord for which there was a \$60 fee which they send to the Shriners Crippled Children's Hospital in Boston; the two members of the Shriners who operate it do so voluntarily.

The members of the Second Congregational Church took charge of the Lunch Booth at the Park during the entire three days. The members of Mayflower Rebekah Lodge served a turkey dinner Saturday noon at their hall, but due to so much going at that particular time had very few in attendance. The Second Congregational Church held their annual Chicken Barbecue on their lawn Saturday evening with a record crowd. The Wilton Center Unitarian Church served a dinner Sunday noon on the lawn of the Red House with a record crowd.

The Young People of the Teen Club sold Ice Cream, balloons and favors during the three days to raise money for their new club rooms.

Town Treasurer Alfred Jarest served as treasurer of the affair with Mr. and Mrs. Eddie Lamminen, Jr. in charge of the Button Sale which brings this to the sad Part of the affair, that despite the fact more buttons were sold than before and the sum of \$500 was voted by the Town to assist with the celebration last Town meeting only \$30 was left to pay for special officers which the Police Department had billed the Committee for \$75 and the remainder of the amount due was written off by the Police Department. (See Financial Report at Close of this)

In the planning of the Celebration in December 1968 it was hoped to put out another Historical Booklet but this failed to materialize so was abandoned; but there seemed a desire for copies of the Historical Booklet put out in 1939 of which there were no copies left. It was decided by the Selectmen and Myself that this would be a good idea and a Thousand were ordered. Mrs. Walter Hardy took charge of selling them during the Celebration along with some of the picture booklets of Wilton left from the celebration five years ago. They sell for \$2.00 each and to date only two

hundred have been sold. If anyone would like one of these books they may be obtained at the Selectmen's Room.

In closing let me express my sincere Thanks to everyone who took part in any way for the success of the Affair.

Mildred A. Gibbons

## SUPERINTENDENT'S REPORT

### Wilton School District

Progress is the one word that best explains the past year for the Wilton Elementary School District. New materials, new programs, new equipment, some new teachers, and some new children's faces all played a part.

This fall we welcomed four new faculty members. The Library has an all new staff of Mrs. Pauline Brown, Mr. John Donoghue and Mr. Richard Thissell. The new Title I Reading Teacher is not a stranger. Mrs. Barbara Knowlton has a strong elementary background and knows many of our pupils from a long association with Wilton and Wilton schools.

The Mathematics Program has undergone significant change in the past year. New programs and materials have pleased teachers and pupils alike. This change took place as a result of a year of study of different programs conducted by Mrs. Pellerin and her staff.

The addition of Art in the program has been well accepted by everyone associated with the school. Miss Mary Lou Herbert has worked long and hard with great success. At our Open House parents were certainly highly impressed with the results of two months work with their children by this talented young teacher.

Our Open House Program was highlighted by the appearance of our children on film as they pursued their daily activities. Mr. Sebastian Salvo gave of his personal time and equipment to make this program a success.

I take this opportunity to thank the staff and principal for their loyalty and dedication during the past year. Our School Board has been most cooperative in giving freely of their time and talent to see an ever better school for the children of Wilton. Parents, with only few exceptions, have been cooperative and interested. I would urge all of you to have a stronger interest in your school. Visit Board meetings, study budgets, get to know the teachers. They play a vital

role in your child's life. Be a better informed citizenry. Remember that your School Board and Superintendent work in your best interests.

Respectfully submitted,

ROBERT G. LIBBY  
Superintendent of Schools

## SUPERINTENDENT'S REPORT

### Wilton Lyndeborough Cooperative School District

Using some of the words of last year's popular musical show at the High School, "with a little bit of luck" we will not repeat the frustrations of the past year in the year to come. By the time you receive this report, our building program will finally be on its way. Hopefully, the new High School will open some of its doors in 1970.

During the past year we have operated a total school program in much less than desirable surroundings. We have, however seen our faculty strengthened and expanded. New offerings in Art have allowed greater individual expression on the part of the children. It is hoped that we will gain stability in this faculty as we seek to hold our outstanding teachers rather than serve as a training school for neighboring communities. We need to improve, as do all schools, but the staff is cognizant of this and working of this and working constantly to raise the capabilities of our young people to face the wide world waiting outside the doors.

To highlight the past year, I will briefly touch on significant happenings. We worked through court actions aimed at preventing the construction of the school as you have voted for it. This held up our program for several months. After the Superior Court ruled in our favor we faced the next problem. The approach to our school site became inaccessible due to the property owners' reluctance to sell a small portion of their property for this purpose. The rights of the individual must be recognized and the Board entered a long and frustrating period of negotiation. The final choice of the Board to attempt to take all necessary lands by whatever legal means were available was not an easy decision to make. However, our children must come first, and the need for facilities *now* must often out weigh many other considerations.

The future of our school program is much brighter than at any time since I arrived in Wilton two years ago. It is the

intent of the Board to constantly evaluate programs and personnel in order that we may constantly have pride in the tasks given to us by the public.

Your Board, Staff and Students have cooperated and have worked together. Our public has shown interest in Board meetings, an interest that we all hope will continue to grow. A rapport is being established between Board and Faculty that should enhance the likelihood of a successful school. Continue to offer your comments, your criticisms and your cooperation. You are the public that we are to serve. Without your involvement we cannot meet your expectations.

Respectfully submitted,

ROBERT G. LIBBY  
Superintendent of Schools
